Swedes and Finns can smile happily, because we're arranging busrides to and from the partyplace, departing from Stockholm at Thursday the 17th of November. The buses leave at midnight from Klarabergsviadukten, Stockholm Central Station. The busride itself costs SEK 240, or if you prefer to go for the packaged deal, where you pay both the busride AND the party for SEK 420. This is all available thanks to splendid cooperation with people we know. Make sure to pay at POSTGIRO # [REDACTED] (PER JACOBSSON). If you by any chance still have questions, do call at +46-[REDACTED] (Per) and ask for further assistance. When having paid, you'll receive all information needed about the buses and their departures.

Gothenburg 18-20 November 1994

IMPORTANT! THE DATE OF TRIBUTE 1994 HAS BEEN CHANGED! IMPORTANT!

THE DATE OF TRIBUTE HAS BEEN CHANGED, AS SEEN ON THE FRONT COVER, TO NOVEMBER 18TH-20TH. WE'RE DEEPLY SORRY FOR WHOM IT MAY CONCERN AND REGRET ALL PROBLEMS THAT MAY OCCUR AS A CAUSE OF THIS.

Dear people,

It has been a goddamn job, but it is with pride we can officially invite you to TRIBUTE 1994! You are on the guestlist with over 3500 other people who have meant something through the years on the Commodore 64. TRIBUTE comes to remind you of your past. It comes to show how good it all really is, and was. Gone are the days when you could enter a party and find it flooded with 64's. Gone are the days of many old legends. We will remind you. Remind you of your addiction.

We think we have a succes at our hands. We realized long ago that a 64-only party was in great demand, and as TRIBUTE 1994 was announced some 2 months ago we intended to make it different. This was not just to be another event in 8-bitstory, this was to be THE event. And in a way, it really is.

I'm glad things are working right now. The interest is at an incredibly intense level. People from all generations are signing up. Do what you can do, and promote TRIBUTE as well. To Friends, old friends, hell, even to your enemies. Bring along your Commodore, your collections and get back to the roots with everybody else. TRIBUTE 1994 happens once in a lifetime, and never again, so why waste perfectly wonderful chance? Make it come true. Promote it.

Yours Sincerely,

Newscoy/GENESIS*PROJECT
Organizer, TRIBUTE 1994
